Elizabeth White, Principal

Dear Franklin Parents & Guardians,

We are so thankful for the partnership that Franklin School and the Boys & Club Club shared for the past five years, which was made possible by a grant. Regrettably, this grant will conclude in June 2019 (at the close of the school year) and will not be renewed.

We wanted to share this news with you now so that you can begin making plans for before- and after-school arrangements for your child(ren) for the 2019-2020 school year.

In preparation for the next school year, we want you to know that Franklin School will begin exploring other child care options to be offered at the school. Franklin School will also explore offering G2M enrichment opportunities (i.e., after-school programming provided by the Wausau School District) at school. Franklin School will update you on possible before and after-school options in the coming weeks and months. The Boys & Girls Club will welcome your child(ren) in Grades 4 through 12 to attend the Club at 1710 North 2nd Street after school and on days when school is not in session.

Thank you.

Sincerely,

Ms. Elizabeth White
Principal, Franklin School
