BACK TO SCHOOL

School is back! Many students and teachers are excited. I asked four teachers "how do you feel about coming back to school?"

. Bolanda: I'm excited, but I wish it was cooler.

Mrs. Bronstatter: I was very excited to meet my new students and build our community together.

Mrs. Veldhuizen: I was excited because I love learning, and every year I learn lots of new things from my students.

Mr. Euting: Excited and Happy.

School Mysteries

Clue 1: My favorite color is red!

Clue 2: I love Chinese food!

Clue 3: My favorite thing to do is read and hike!

It's the start of school and that also means it's the start of The School Newspaper. I thought we'd start off the year with the always favorite Mystery Person. Can you guess who this mysterious person is? Read the clues and try to find out who you think the mystery person is. Good Luck!

Sports

Volleyball

Volleyball is back! This year Mrs. Bronsteatter and Mrs. Derfus are coming together & are letting Franklin 4th & 5th graders play volleyball. It doesn't matter if you're a girl or a boy Mrs. Bronsteatter and Mrs. Derfus will teach you how to play. Practice probably start at the end of September or at the beginning of October and you would probably have about 5 practices before the big jamboree. You will compete against other 4th and 5th graders. I was talking with Mrs. Bronsteatter and Mrs. Derfus and they said they can't wait to see you signed up, which by the way to get into the volleyball team you will get a letter from your teacher and your parents will okay and you could get the chance to have a lot of fun. They hope to see you signed up.
